

**Alex is a teacher.**  
One of their students  
reported that **Alex**  
had sworn at  
the class.

Access Canberra received a 'reportable conduct' notification.

Access Canberra gathers information about the report and contacts Alex.

Access Canberra conducts a risk assessment and determines that Alex is suitable to maintain a registration.

## What can Alex do now?

Alex will be able to continue to work as a teacher.

Alex is able to work with children and other regulated activities per their WWVP registration.

Alex will need to contact Access Canberra if their individual circumstances change.
